

Instructions to download Articles

To download the following Articles:

- ***PHQ Review Paper***
- ***Anxiety Disorders in Primary Care: Prevalence, Impairment, Comorbidity, and Detection***

please follow the instructions below in order to ensure a successful download.

We recommend that you “**Save**” the file to your desktop for portability.

To save your ePrint – Please follow these steps:

Step 1. To download the file, click on the name of the Article you are interested in.

Step 2. To save the file to your desktop, click the “**Save**” button.

Step 3. Locate the file on your desktop, double click on it and click the “**Run**” button to open the saved ePrint.

You must be connected to the Internet the first time you open your ePrint.

This one-time Internet connection allows your ePrint to validate itself.

*** **IMPORTANT NOTICE** ***

This Mobile™ ePrint is ONLY supported on the PC platform.

Mac users please [click here](#) for support.
